

Monday 16 November

Anti-Bullying Week 2020: 16th November – 20th November

Dear parents/carers

This week is Anti-Bullying Awareness Week. This is an annual event that we mark every year with the children and this year's theme is 'United Against Bullying'. We pride ourselves as a school at dealing with any incidents as they arise and it is more important than ever that the children understand that bullying is not OK and will not be tolerated.

As part of our learning this week, the children will all be designing a jigsaw puzzle piece with their pledge about what they can do to take a stand against bullying. They will then design these in a way that celebrates how they are different to others. These will then be put together in year group bubbles to create one picture to show that we are all connected.

In addition to this, the children will also be reminded of the fact that bullying is repetitive, upsetting or hurting someone on purpose, that bullying can be physical, mental, cyber or verbal and that it is very different to simply having a falling out with your friends. The children will also participate in lessons surrounding bullying and how to deal with issues they may find challenging.

Thank you for your continued support.

Yours sincerely

E. Bound
