

### Personal Social and Emotional Development

We will be learning to negotiate with our friends and beginning to solve problems ourselves.  
We will be participating in turn taking games.  
We will be talking about our needs, wants and interests and will be able to say when we do or don't want help.

### Understanding the World

We will be learning about the Winter including the weather in Winter and the clothes we need to wear.  
We will observe the changes in the environment as Winter continues.  
We will talk about daily weather changes.  
We will learn about similarities and differences in relation to places, people and different traditions.  
We will explore freezing and melting.

### Expressive Arts and Design

We will be using a range of media and materials .  
We will be thinking of colours and using them appropriately when drawing, painting or colouring.  
We will be using a range of materials to make collages and models.  
We will be learning new songs to help us in our learning.  
We will be acting out stories using puppets and props and using a storyline or narrative in our play.

### Communication and Language

We will be learning to listen well and maintain attention and concentration when listening to others and when we are in Assembly.  
We will be learning to express ourselves using more complex sentences.  
We will be responding to the stories we hear by asking questions and making comments.

## Reception 2020/2021

### Spring Term 1

#### 'Our World'

### Mathematics

We will continue to develop an understanding of numbers 1-10.  
We will be learning to write numbers 1-10.  
We will learn to order numbers 1-20.  
We will learn 2d and 3d shape names and properties.  
We will explore different lengths and heights and use comparative language to describe them.  
We will explore capacity using words such as full, empty, half full, nearly full, nearly empty and make comparisons between different amounts.  
We will order three or more measures (size, weight and capacity).  
We will create patterns by lining, placing, building and arranging objects and/or images.

### Physical Development

We will be dressing and undressing independently for P.E. and at home  
We will be learning to follow more complex instructions.  
We will learn to adjust our speed and direction.  
We will be learning to use tools and equipment with precision and control.  
We will be learning to describe the changes to our bodies when we exercise and the effect of what we eat on our bodies.  
We will be completing handwriting sessions to develop our pencil control and to learn to form letters correctly.

### Literacy

Our Literacy Texts this half term will be:

We talk about the texts in particular settings and characters.  
We will learn to write labels, captions and sentences using appropriate letters to represent sounds in our writing.  
We will write for different purposes.

### Letters and Sounds

We will continue to practice our oral blending and segmenting skills and blending to read and blending to spell.  
We will begin to learn the letter sounds in Phase 3 of the Letters and Sounds programme.  
We will begin to learn the Phase 3 tricky words— he, she, we, me, be, was, you, her, they, all, are.  
We will learn to spell the tricky words—the, no, go, I, to, in-to.
