

### Personal Social and Emotional Development

We will be learning to negotiate with our friends and beginning to solve problems ourselves.  
We will be participating in turn taking games.  
We will be talking about our needs, wants and interests and will be able to say when we do or don't want help.

### Understanding the World

We will be learning about the Space and the Solar System  
We will find out about some famous British astronauts  
We will explore light and dark by finding out about the different sources of light and know that darkness is the absence of light.  
We will explore pushes when we talk about how rockets fly to Space.

### Expressive Arts and Design

We will be using a range of media and materials .  
We will be thinking of colours and using them appropriately when drawing, painting or colouring.  
We will be using a range of materials to make collages and models.  
We will be learning new songs to help us in our learning.  
We will be acting out stories using puppets and props and using a storyline or narrative in our play.

### Communication and Language

We will be learning to listen well and maintain attention and concentration when listening to others and when we are in Assembly.  
We will be learning to express ourselves using more complex sentences.  
We will be responding to the stories we hear by asking questions and making comments.

## Reception 2020/2021 Summer Term 1 Over the Moon

### Mathematics

We will learn to recognise and develop an understanding of numbers 11-20, in particular that they are made up of one full ten and parts of the next 10.  
We will learn to order numbers 1-20.  
We will be exploring addition and counting on to add.  
We will be exploring subtraction to develop our understanding that the quantity of a group can be changed by taking items away.  
We will learn 2d and 3d shape names and properties.  
We will explore shapes and learn that they can be rotated and used to make different shapes.  
We will create patterns by lining, placing, building and arranging objects and/or images.

### Physical Development

We will be dressing and undressing independently for P.E.  
We will be learning to follow more complex instructions.  
We will learn to adjust our speed and direction.  
We will be learning to use tools and equipment with precision and control.  
We will be learning to describe the changes to our bodies when we exercise and the effect of what we eat on our bodies.  
We will learn about the importance of exercise and eating healthily.  
We will be completing handwriting sessions to develop our pencil control and to learn to form letters correctly.

### Literacy

Our Literacy Texts this half term will be:

We talk about the texts in particular settings and characters.  
We will learn to write captions and sentences using appropriate letters to represent sounds in our writing.  
We will write for different purposes.  
We will explore information books.

### Letters and Sounds

We will continue to practice our oral blending and segmenting skills and blending to read and blending to spell.  
We will continue to learn the letter sounds in Phase 3 of the Letters and Sounds programme.  
We will continue to learn the Phase 3 tricky words— he, she, we, me, be, was, you, her, they, all, are.  
We will learn to spell the tricky words—the, no, go, I, to.
