Dear Parents and Carers

Summer events this year

As we look ahead to the final term of the academic year, we wanted to give you as much information as possible regarding the usual summer term events in school.

Whilst the current government plans are to lift any remaining covid restrictions on Monday 21 June, there is still an element of uncertainty. With this in mind, we intend to remain cautious for the remainder of this academic year.

On safeguarding grounds, we have taken the following decisions:

- No Summer Fair this year
- No parents/carers attending sports days (we will still do sports events with the children)
- Year 6 leavers' events are being planned but will take place on the school site
- No trips off-site
- No face-to-face parent consultations.

We are currently discussing transition activities for all children and more information about this will follow.

We understand that this may be disappointing for families. We want to ensure, as far as possible, that school remains open to all children this term as they have already missed so much. Holding the events above could put this at risk.

With thanks for your support.

Claire Bennett
Headteacher
