Dear parents and carers

EXCITING NEWS ABOUT OUR SCHOOL DINNERS PROVIDER

We are delighted to announce that we are changing our school dinner provider and will be working with Academy from September this year.

It was important that our children were part of the decision-making process. As you can see from the photos below, our School Councillors enjoyed the taster menus provided by each catering company. They scored each company and the children's scores were added to our overall assessment of each company, forming an important part of the final decision.

We look forward to sharing more information about Academy and the meals they provide very soon.

Yours sincerely
